CEMBOND EPW 863

slurry waterproofing, abrasion resistant for walls and floors

Cembond EPW 863 is a most amazing waterproofing slurry. The sealing of walls and floors with this abrasion resistant coating, resists 7 bar water pressure, from the negative side. This excellent performance comes without primer or additional surface preparation and is suitable for wet and humid surfaces. 100% waterproof and breathable is Cembond EPW 863 an universal waterproofing and coating system

CEMBOND EPW 863

BENEFIT	APPLICATION	INSTALLATION	ACCESSORIE	PRODUCT INFO
