CEMBOND MF 1041

dirt repellent paint, for indoor and outdoor

Cembond MF 1041 the best paint for indoor and outdoor application. Used on facades, in wet rooms or any other area with the risk of mould creation. The high quality paint is beautiful, long lasting, water repellent and dirt repellent. Surfaces stay clean and beautiful for years. Even wet walls and high air humidity do not entail the risk of mould. Cembond MF allergen-free, odourless. Cembond MF 1041 is breathable and suitable for humid walls.
