DUROFLEX TOPCOAT 681

shiny, clear, polyurethane topcoat and
impregnation

DuroFlex Topcoat 681 provides perfect surface protection with high durability and adhesion. Due to excellent chemical stability, impact resistance and slip resistance it is ideal for oil and fuel resistant coatings in garages, storage rooms and workshops. Films made of DuroFlex Topcoat 681 are shiny and clear. Impregnations made of DuroFlex 681 improve the quality of concrete and decrease abrasion and dust creation.

DUROFLEX TOPCOAT 681

BENEFIT

Chemical resistant
Abrasion Resistant
Clear Coating

APPLICATION

Coating – Non-Permeable
Abrasion Resistance
Stain Protection
Litter Layer
Dust Reduction
Surface Strengthening

INSTALLATION

Paint
Roll
Rubber Slider

ACCESSORIE

Equipment Cleaners
Cleaning Agents For
Surfaces
