

## BoRox®Reiniger 1042

Special cleaner, removes rust contamination on marble, limestone and natural stones.

**BoRox®Reiniger 1042 is a special cleaner developed for the removal of rust on natural stones. Due to its particularly gentle formula, it can also be used on calcareous stones such as marble.**

**Ready for processing**

BoRox®Reiniger 1042 is not suitable for basic cleaning. Please use our HydroClean®525 - 527 for this purpose.

Do not apply to paint / oil paint or varnish. We recommend testing on an inconspicuous area and checking for compatibility with the material to be cleaned. Cover surfaces that are not to be cleaned and protect them from dirt.

All cleaners must be washed off with clear water. Please observe the safety data sheets of the individual products when handling.
